1. OUR SERVICES

1.1 Solar Solutions

We offer a wide range of solar systems that are designed to provide clean, reliable and cost-effective energy for homes, institutions and businesses.

1.1.1 Solar Security Lights

Enhance the security of your property and reduce your energy costs with our solar-powered security lights. Our solar-powered security lights are energy efficient, easy to install and require no electrical wiring.

1.2 Borehole Drilling

Secure your water supply and reduce your dependence on municipal sources with our borehole drilling services. We specialize in drilling and installation of boreholes for both residential and commercial properties.

1.1.2 Solar Water Heating

Investing in a solar water heater reduces your energy bills. Our team of experts will work with you to design and install a customized system that meets your specific requirements and fits your budget.

1.2.1 Water Pumping And Storage

Efficiently and effectively manage your water supply with our water pump and storage solutions. We offer a wide range of pumps and tanks designed to meet the diverse needs of residential, commercial and industrial properties.

1.3 Construction & Project Management

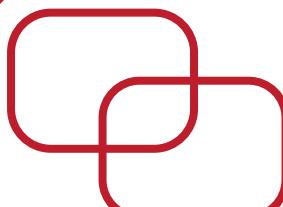

Our company specialize in the managing and delivering high-quality, efficient construction projects on time and within budget. We have a strong track record of successfully managing a wide range of projects from residential to commercial and industrial.

1.5 Road Works

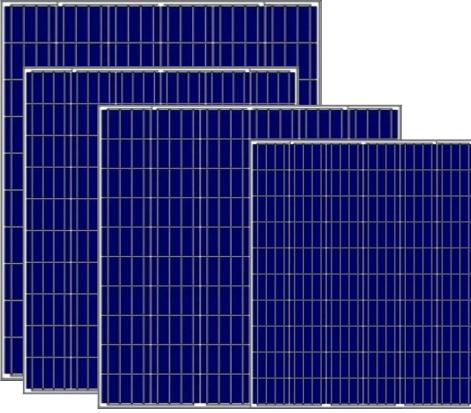

After a long day of work, you ultimately need smooth ride back home. We provide excellent road grading services for public and residential loose surface dry weather roads. This service is conveniently offered at pocket friendly budget by our team of experts.

1.4 Geological Survey

Our company provide timely and accurate geological survey services to ensure that your borehole drilling is done in an area free of natural hazards. Our team of experts strive for the best area to drill your borehole.

2. PRODUCT CATALOGUE

| Product | Name and Use | Capacity | Price |
|---|--|-------------------------------------|------------------------|
|  | <p>Crystalline Solar PV modules.</p> <p>Generates power for domestic, commercial and industrial use from the sun.</p> | From 100 Watts to 500 Watts | From Ksh. 7,500 |
|  | <p>Solar Battery.</p> <p>Domestic and industrial solar power storage.</p> | From 18 Ah to 1,500 Ah Up to 48V | From Ksh. 6,000 |
|  | <p>PV Combiner box and Inverter with Controller.</p> <p>Control battery charging from solar panels and convert power from batteries for use by conventional appliances.</p> | 350 Watts to 25,000 Watts | From Ksh. 4,000 |

| Product | Name and Use | Capacity | Price |
|---|---|--|---------------------|
|  | Complete Solar Package Domestic, institution and industrial solar power supply. | 38.4 KW | From Ksh. 1,420,000 |
|  | Complete Solar Package Domestic, institution and Industrial solar power supply. | 19.2 KW | From Ksh. 675,000 |
|  | Solar Security LED Light 24 hour outdoor domestic and institution solar lighting. | Ranging from 200W to 3600W dusk to dawn solar light. | From Ksh. 9,127 |

| Product | Name and Use | Capacity | Price |
|---|---|-------------------------------|-------------------|
|  | <p>IP67 Water Resistant Outdoor Solar light.</p> <p>Provides a 24hr domestic and institution solar lighting.</p> | 200 Watts | Ksh. 9,127 |
|  | <p>IP67 Water Resistant Outdoor Solar Light.</p> <p>Provides a 24hr domestic and institution solar lighting.</p> | 400 Watts | Ksh. 14,197 |
|  | <p>Water Heater</p> <p>Solar water heating for domestic, institution and commercial use.</p> | 150 Ltrs, 200 Ltrs & 300 Ltrs | From Ksh. 165,000 |

| Product | Name and Use | Capacity | Price |
|---|--|--|--|
|  | Complete Package Submersible Solar Pump Pumping water from wells and boreholes. | Up to 10,000 Ltrs per hour with depths of up to 300 m. | Dependent on depth and borehole recharge capacity. <i>Call us for an accurate quote.</i> |
|  | Solar Surface Pump Domestic water boosting. | Up to 9,000 Ltrs per day and 85ft pumping height. | Dependent on the distance from source. <i>Call us for a comprehensive quote.</i> |
|  | Complete Package Solar Pump Pumping water from shallow wells, boreholes and tanks. | 5,000 Ltrs per hour; depths of up to 300 m. 3,000 Ltrs per hour; depths of up to 300 m. | Dependent on depth and borehole recharge capacity. <i>Call us for an accurate quote.</i> |

| Product | Name and Use | Capacity | Price |
|---|---|------------------------------|-------------------------|
|  | Domestic Water Pot. Purifies quality drinking water. | Flows up to 30 Ltrs per day. | From Ksh. 2,750 |
|  | Undersink Reverse Osmosis Purifier (Complete package). Purifies clean water from municipal sources and slightly saline boreholes. | Up to 400 Ltrs daily output. | From Ksh. 41,000 |
|  | Ultra Violet [UV] Purifier Purifies water from municipal sources with possible bacterial contamination. | Up to 110 Ltrs per hour. | From Ksh. 35,000 |

3. SERVICE CATALOGUE.

3.1. Geological Survey

Comprehensive geophysical survey prior to water borehole drilling performed by our team of highly skilled geologists.

Charges **from Ksh. 50,000** depending on location.
